# EMPOWERING HYGIENE, SUSTAINABILITY, AND INNOVATION.

THE ONLY MANUFACTURERS OF NAPKIN VENDING  
MACHINES IN KOLKATA AND IN EASTERN INDIA!

# About the Company

**Rayaan Trading and Services** is a health and hygiene-focused manufacturing company based in West Bengal, India, committed to delivering practical solutions that uplift public infrastructure.

Our products mainly include Sanitary Napkin Vending Machines, Incinerators, Stainless Steel dustbins and Feedback Machine — all designed to support cleaner, safer, and more dignified public spaces.

We work closely with the B2G (Business to Government) sector to install health and hygiene products across India, in collaboration with District-level authorities, Block Offices, and Gram Panchayat levels.

Our on-ground approach ensures that every installation meets the unique needs of each region and supports local development goals.

Proudly made in India, our solutions are built for long-term impact.

Our vision is to become INDIA's most trusted name in public health and hygiene innovation, and eventually, a leader across India.

Let's build a healthier, more dignified tomorrow — together.

# Automatic Sanitary Napkin Vending machine 25 Pads

***The Automatic Sanitary Napkin Vending Machine is a fully automatic, wall-mounted solution designed for smooth and reliable dispensing in schools, government facilities, and public institutions. Built for 240 mm and 280 mm 3-fold ultra napkins, it operates through coin, token, or free-dispense modes and uses a spiral loading mechanism for consistent delivery. The machine features LED illumination with a live stock count, a clear visibility window, and a MS powder-coated outer body. With a storage capacity of up to 25 napkins, a power requirement of just 12 W (220 V).***

***An optional battery backup with charger, the unit offers durability, efficiency, and ease of use with extra cost***

**Indrani Dasgupta**

8 reviews · 5 photos

★★★★★ 4 months ago

Thanks to Rayaans sanitary pad vending machines and napkin burners, our school in West Bengal is cleaner and more hygienic. The students find it very convenient. Kudos to the Kolkata team!

**Sukriti Paul**

2 reviews

★★★★★ 4 months ago

We equipped several public toilets with Rayaans sanitary napkin vending machines and pad destroyers. Feedback has been overwhelmingly positive. Their innovation is setting new benchmarks in West Bengal.

**Jonas Kahnwald**
